

Delivery Service

Fritze's BBQ & Catering offers a delivery service for events with a minimum of 15 people or the food equivalent. A delivery must be arranged through our catering team in advance. We recommend at least 48 hours notice for a delivery. During the busy season and holidays, we may require more.

If you have a business meeting, a family get together, a church or school function, but don't have the time to put the whole meal together – call our catering team and let us do the work for you.

Our team will deliver the food at the time requested and set it up on the tables provided. The food will be in aluminum pans with lids as in the photo below. The meat will be sliced for easy serving. A delivery will include the disposables: plates, plastic ware, cups & ice (if tea is ordered), and serving utensils. Food warming chafers are available, see photo below.

Food for a delivery can be ordered from our meat-by-the-pound and bulk sides menu, with prices available on our website. (see *Meats By the Pound* and *Bulk Sides* under *Delivery Service*). The amount of food needed for your event can vary depending on the age and gender of your group. Our catering team would be happy to help determine the quantity of food you need.
